**Agenda:** Introduction to F1000 and Open Research Publishing Model

F1000 Peer Review Process

Open Data Policy

Types of publication on F1000

Submission Hints and Tips

Q&A

## About:

F1000 is a part of the Taylor & Francis Group and is a scholarly publisher that offers open research publishing solutions. F1000 works across the globe with funders, societies, associations, and research institutions and offer end to end publishing solutions and services. The F1000 model combines the speed of a preprint server, the rigor of peer review, and the transparency of open-research.

## Speaker: Ms Diksha Awasthi, Business Liaison, F1000

Ms Diksha's role is focused on nurturing partnerships and providing author support within India region. Prior to joining Taylor & Francis, she worked as a Fulbright Scholar and teaching assistant at University of Utah. She has over 4 years of experience working in the education sector.
