Video Library Services

Video Library Service

The Central Library has a collection of more than 1,800 CDs.The Video CDs are kept in the computer Application Division of the Central Library for viewing. Most of the video CDs collection in the Library consists of video recording of series of class room lectures delivered by the IIT faculty to the undergraduate engineering students. These video recordings are done by the professionals video recorders employed by the Educational Technology Services Centre. The videos in the CD/DVD format have been kept in the computer application division in the central library. This facility can be availed from 9.00 A.M. to 5.30 P.M. on all working days. A number of such other lectures from other IITs and IISc Bangalore are also available at NPTEL website http://nptel.iitm.ac.in/

Further can visit NPTEL Courses.

A review of active filters for power quality improvement
(IEEE, 1999-10) Singh, Bhim; AlHaddad, Kamal; Chandra, Ambrish
Active filtering of electric power has now become a mature technology for harmonic and reactive power compensation in two-wire (single phase), three-wire (three phase without neutral), and four-wire (three phase with neutral) AC power networks with nonlinear loads. This paper presents a comprehensive review of active filter (AF) co...

Central library provides an online book recommendation system for faculty members to recommend the books through the OPAC/Koha.

The link of the Online Recommendation System is given on the central library website.

Faculty member fills up the online form using his/her Kerberos login ID (e.g. test@am.ac.in) and then approved by HoD using his/her Kerberos login ID (e.g. hodam).

After approved by HoDs, the library will process further.

Online Book Recommendation System

Welcome to the Online Book Recommendation System. The faculty members can recommend the book(s) for the Central Library as well as for the Departmental Library through the online system.

Please fill out this form to make a new recommendation. The online system will automatically sought the approval form to concern HoD/HoC/HoS. You will receive an email once your department head approves/disapprove of your recommendation.

Please feel free to contact CDD, Central Library through email at cdd@library.iitd.ac.in or call 6622/6096.
