

INDIAN INSTITUTE OF TECHNOLOGY DELHI
Central Library

IITD/JLIB/2025/397000

April 29, 2025

Subject: 24x7 Library Timings during END-SEMESTER EXAMINATIONS (April 29-May 7, 2025)

The Central Library will remain open 24 hours during April 29-May 7, 2025, for the END-SEMESTER EXAMINATIONS. The students are expected to ensure that neither the decorum nor the discipline is disturbed during any operational hours of the Central Library. They should also cooperate with each other and avoid creating any disturbance, especially during odd hours when the library staff is not on duty.

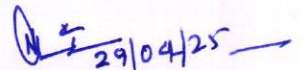

The Central Library currently has a seating capacity of about 400 seats on two floors, and enough seating/reading space has also been provided in the LHC in the open area and the LHC Classrooms.

As per the ACL decision, the alumni are not allowed to use the library during the exam period.

The library will resume its normal operating hours, i.e. 8am to 3am, from May 8, 2025.

(Dr. Nabi Hasan)
