Accelerate your Research Using AI-Powered "Web of Science Research Assistant"

Join this exciting workshop organized by Central Library, IIT Delhi in collaboration with Clarivate.

MONDAY
30th JUNE, 2025

3:00 – 4:00 PM
LIBRARY COMMITTEE ROOM

SPEAKER

Dr. Subhashree Nag

Senior Business Solution Consultant Clarivate

Dr. Subhasree Nag is a senior business solution consultant for the life sciences and scholarly research division at Clarivate. She completed her PhD from Texas Tech University Health Sciences Center, USA and her post-doctoral training from Pacific Northwest National Laboratory, USA. A pharmacologist and toxicologist by training, she has more than 8 years of research experience in anticancer drug discovery, preclinical pharmacology, and systems biology areas with 25 peer reviewed publications and more than 700 citations.

WHAT YOU WILL LEARN:

- Refine and optimize your literature search strategies.
- Discover key themes and research gaps.
- Generate structured literature reviews.
- Visualize insights using co-citation networks, topic maps, and trend analysis.
- Conduct multilingual, natural language searches.
